Dedication

When a school wishes to indicate its sincerest respect and appreciation for a member of the faculty, it dedicates its yearbook to him. We have chosen this method to express our admiration for a man who has devoted himself to the betterment and growth of Tilton School.

Since he works largely behind the scenes, we frequently forget his drive, and his responsibility for everything that takes place in relation to Tilton. In setting high goals for Tilton he has given us high aspirations as students and as people, and for this we offer our deepest thanks.

What Tilton is today, and what it will become in the future is a result of the interest and efforts of this man.

It is fitting that the first Senior Class to go through four years of his headmastership honor him with his first dedication, and for these reasons we, the class of 1969, dedicate this Tower to Dr. Robert E. Butler.

Sports

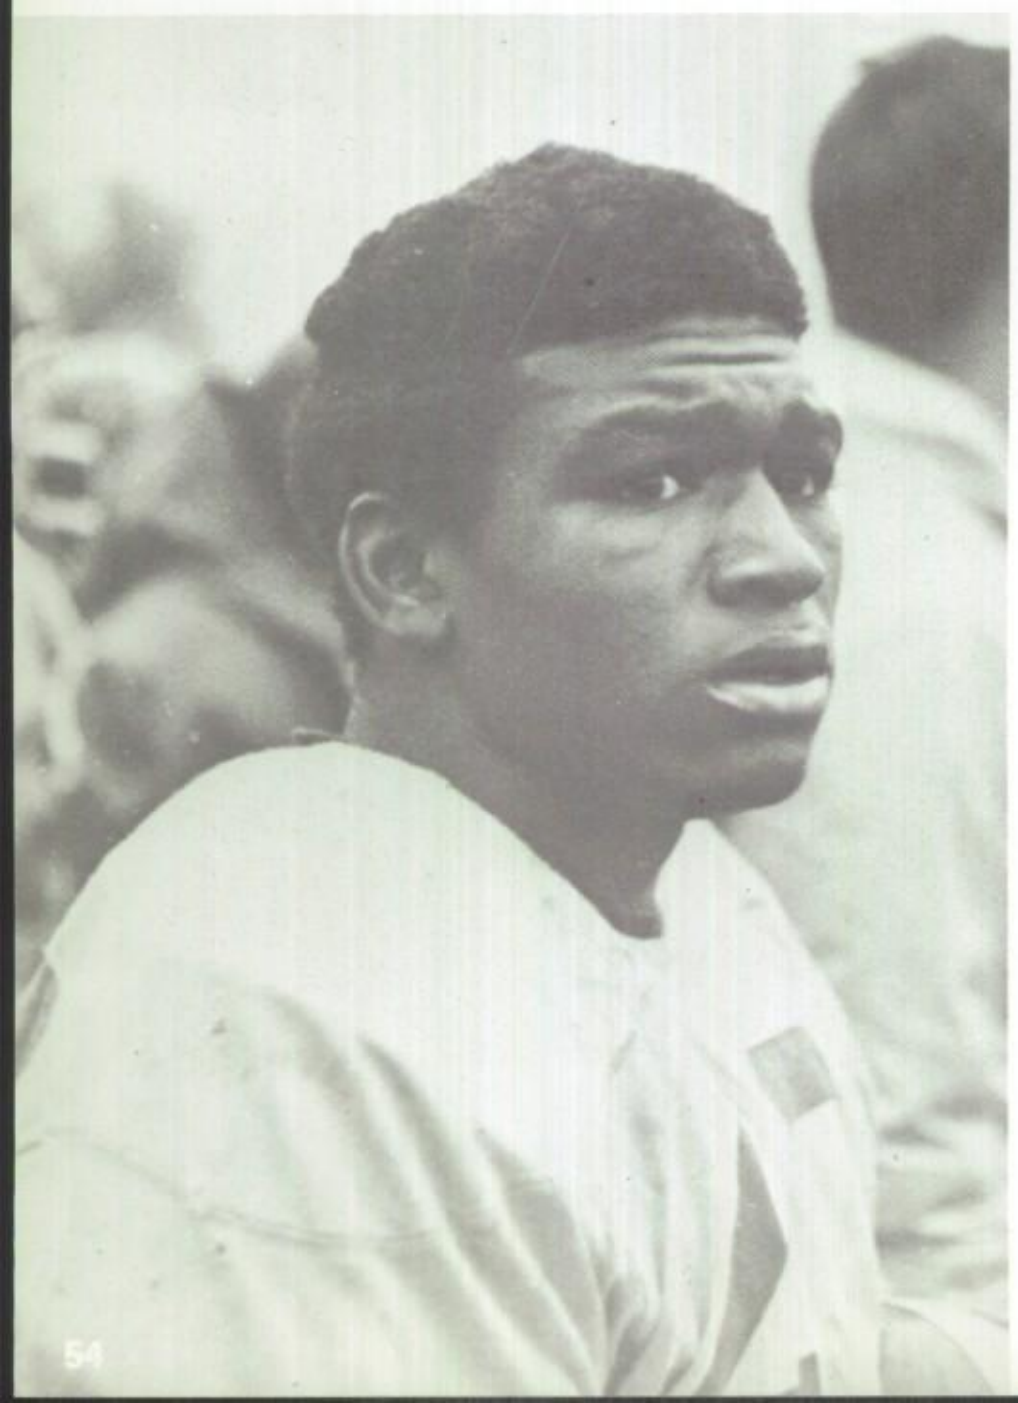
Varsity Football



With fine talent and spirit the Varsity Football team finished its season with a 2-6 record. Before the season many thought this team would be one of the best in years. While playing many talented opponents, the Rams didn't seem to "gel" until the last game of the season. In this game the Tilton Varsity showed their potential to play good football by beating Brewster 33 to 14.

A., Xiggoros, Barry, Evans. *Fourth row:* Ames, (mgr.), Mr. Stebbins, Mr. Governanti.

The Junior Varsity Football team was potentially the best team that coaches Stebbins and Governanti had seen in recent years. Minor mistakes cost points in close games. Although Laconia beat us 12-6, we felt that this game was the highlight of a spirited season. Glenn Alpert's fine quarterbacking was helped by the tough blocking of the front five. Co-captains George Gramatikas and Steve Black played significant roles throughout the season, as leaders and as fine football players.

Varsity Soccer

The Varsity Soccer team looked to the 1968 fall sports season with anxiety and confidence. It was a great disappointment, however, when they lost five out of their first six games. Without giving up hope, Coach Scheffer and Captain Rob Starr fired up the team with much help from newly acquired goalie, Randy Picard. A tremendous comeback ensued during which the Rams only lost one of the next six games. This surge began against highly favored New Hampton when the Gold won 2-1. The never weakening spirit and the emergence of new talent proved to be the '68 soccer team's biggest assets.

This year's Junior Varsity Soccer team was much better than their record of 2-3-4 would indicate. After beating Brewster 9-0 in the season's opener, bad luck remained with the J.V.'s in many games to follow. An example of this was the New Hampton game in which the black and gold led most of the way, but were tied late in the third quarter. Co-Captains Rick Brink and Jay Buza played well throughout the long, grueling, yet satisfying season.

Cross-Country

Sparked by new recruits, the Cross-Country team ran a good 7-3 season. Rick Eaton and Captain Cal Thompson led the harriers to fourth in the New Englands and, as expected, swept the Lakes Region Championship. Eaton was undefeated in all ten races which he ran, including the New Englands. Bailey, Goldman, Roberts, and Hopwood provided the added support for the two super-runners. We wish to thank Mr. Page and all our loyal supporters.

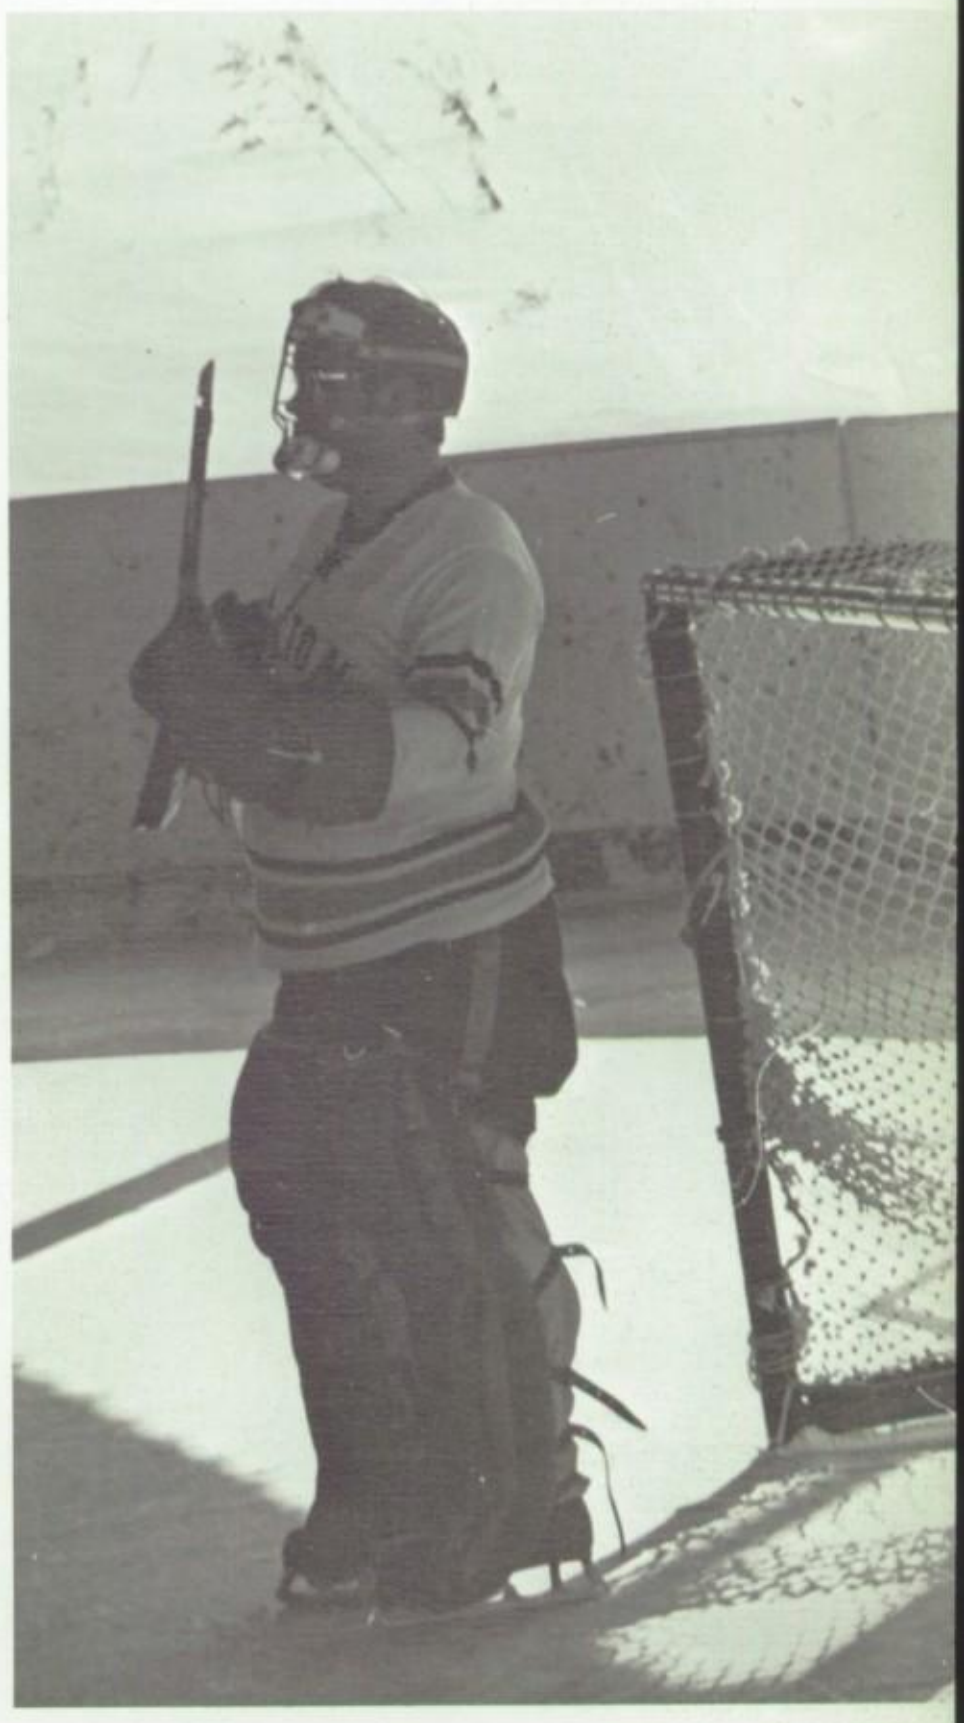
Messina fires.



Nothing to do, George?

The 1969 Hockey team was one of the best ever seen at Tilton. Their only loss was a 4 to 3 overtime thriller against K.U.A. Because of two of the best defensemen in New England, Randi Picard and Captain Don Cregg, Tilton's opponents found it virtually impossible to score. Tilton's own scoring department was very strong. led by record-breaking Randy Moore (with 23 goals and 49 points), and followed closely by Marc Messina and Randi Picard.

The J.V. Hockey Team started their 1969 season by losing their first two games. The next five games showed continuing improvement, as they won four of them. Led triumphantly by co-captains and defensive stars Bill Prescott and Bill Shem, the J.V. skaters were enthusiastic throughout the season. The Cardigan Mountain game saw Tilton's fighting spirit at its finest.

Varsity Basketball

Playing the sport of basketball requires strict attention and constant dedication. Start off with talent and a growing spirit and nearly all goes well. That's the simple story of this year's Varsity Basketball team. Nick's shot, Earl's fantastic dribbling, and Claude's aggressiveness provided game highlights, as did Weave's rebounding and Fred Laser's moves. Of course, great credit is due Coach Schmidt again this year. Varsity Basketball is probably the team which will be remembered as having had the most spirited contests with our arch rival, New Hampton, in 1969. That last, sweet, and final victory will be long remembered.

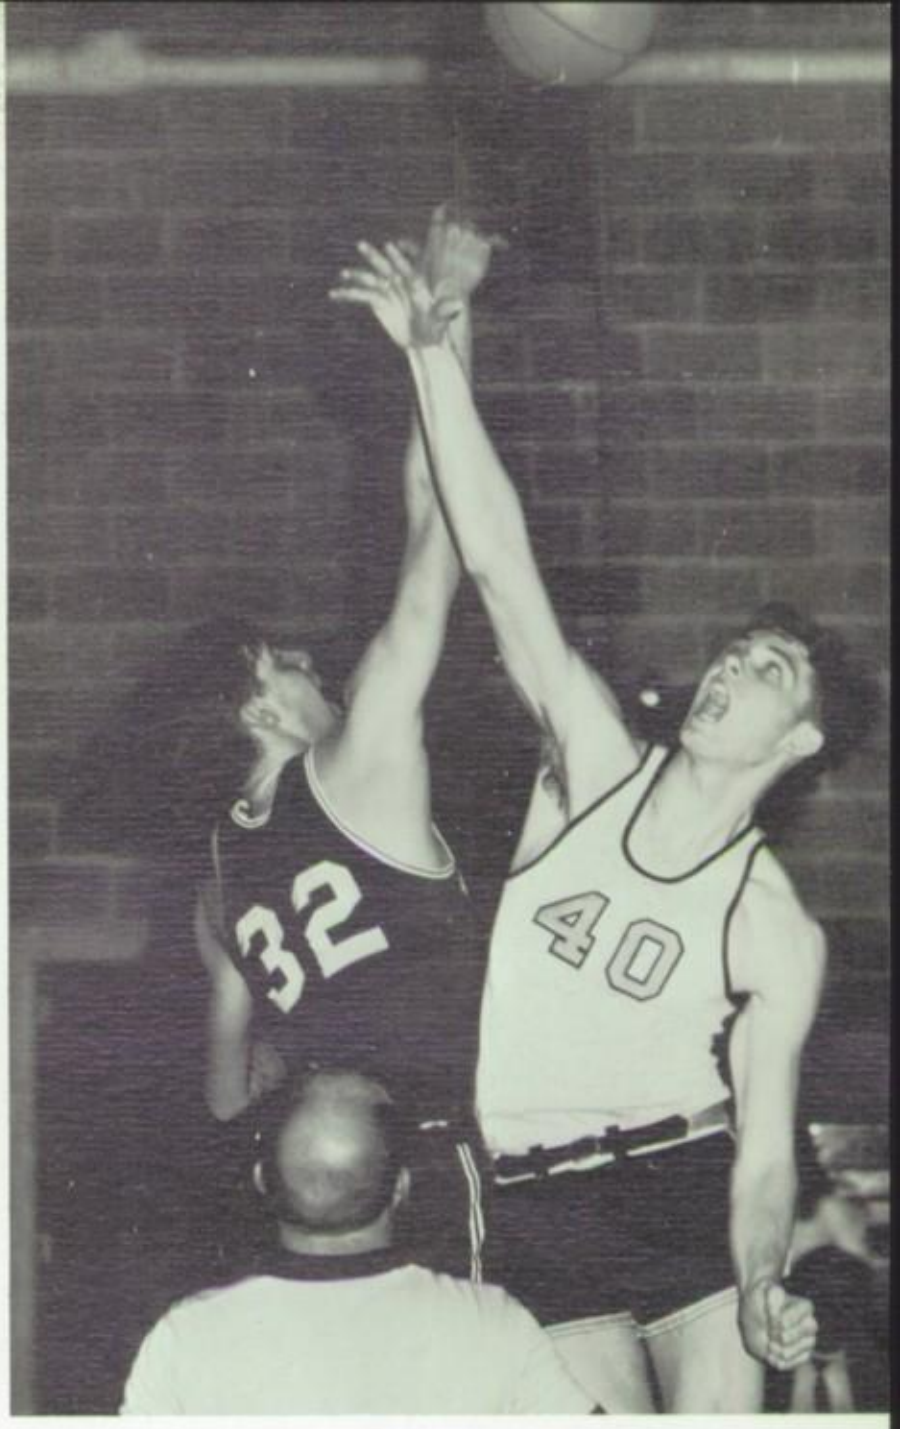
Junior Varsity Basketball



When the J.V. lineup was completed, Coach Stebbins thought that he might have an undefeated season. However, the team lacked one very important thing: the desire to win. In losing their first four games, they gained that one thing. By this, they showed desire and pride in a team often over-shadowed by the Varsity.

Despite inclement weather and the lack of adequate, daily jumping facilities, the 1969 Varsity Ski Team had a fine season. Backed by such fine skiers as Bill Barbour, Bob Tonge, and Jim Petrovic, Captain Bix duPont led a strong Alpine Team, while his roommate, Chris Hopwood, did a great job as Nordic Team Captain, Rich Ritter, Doug Lewis, and Eric Rattan did most of the jumping; Brett Bailey, Rob Starr, and Bob Tonge provided good team depth in cross-country.

Junior Varsity Skiing

The Junior Varsity Ski Team was a team of youth, and the 1969 ski season was a season of building. The inexperience of the skiers showed in the loss of all their meets. Much experience was gained from these losses, and much new and promising talent was brought out. Some of the most promising young skiers were John Julien, Kirk White, and Tiger Warren. In future years this team should show marked improvement.

BEAUMONT HALL

Nestled in the agrarian paradise of Tilton, N. H., lies an establishment of higher learning. Within these realms exists an abode, whose scholarly inhabitants make Beaumont Hall the elite, artistocratic center of Tilton society and culture.

Containing 18 small apartments, and a concierge retreat, Beaumont Hall also has vital comforts of home. Among these comforts include a public telephone, lavatory with seating facilities for 2 and standing room for 9, a modern sprinkler system, and a fire escape route.

Beaumont has all types of entertainment ranging from a hockey arena to a folk and rock singer.

Beaumont students are valuable assets to Tilton School. They hold offices in the school government, and participate in all major school activities and sports.

Varsity Lacrosse

Three years of building and determination paid off this year with Tilton's first winning Lacrosse season. The team lost only one game—its first, and by dominating play in the final three quarters of that game demonstrated the style of play that would mark its victories for the remainder of the season. Talented newcomers and greatly improved veterans developed ball-control and stickhandling that were the best in the league. With both spirit and skill at all levels, Mr. Scheffer was confident that any unit he played would do its job well. A substantial number of returning players bodes well for the 1969-1970 season.

Junior Varsity Lacrosse

This was Tilton's first J.V. lacrosse team. This hard working team encountered many of the same problems last year's first varsity team had during its growing years. The basic problem was inexperience with the "new" sport. Although this year's scoreboard was rather dismal, the team's spirit never faltered. This outstanding spirit was held steady by team captains Bob Nochimow and Carl Powden. This was a growing year for Tilton's J.V. lacrosse team.

Junior Varsity Baseball

The story of J.V. baseball this year was one of improvement in the face of difficulties. The spring rains forced cancellation of their first two games, but it was unable to discourage them or to seriously hinder their practices. When the weather finally did allow them to play, they started the season by winning their first four games. Players such as Cooper, St. Jean, Van Reypen, and Littlefield with this year's experience behind them should be valuable assets to the varsity next year.

Varsity Baseball

The year started dismally for the varsity baseball team. The first three games were rained out, and the first game played was a loss to Brewster. Although the season started off on such a dismal note, the team came back to beat Holderness and, perhaps more important, New Hampton twice. It was a disappointing season since several of the losses were in very close games which might have gone either way. Yet in spite of the disappointments, the team spirit remained high all season, and the players never stopped giving all they had both in practice and in games. Special mention must be made of captain Fred Herr who not only was a valuable player but who also was essential in keeping team spirit high. In addition, thanks must go to Coach Stebbins and Manager Dana Robinson who helped to hold the team together and to keep it moving.

Under the supervision of Mr. Bates, and as the result of outstanding performances by several team members and fine effort by everyone, the track team finished the year with a strong winning season. Captain Earl Alexander broke the meet records at the Lakes Region meet in both the 220 and the 100 yard dashes. At the Interscholastics, Rick Eaton broke the school's two mile record by ten seconds, while Ed Lane took first in the low hurdles and fourth in the high hurdles. Mr. Smith's weight men also deserve mention for their important contributions. Claude Braley took several firsts with throws of 158 feet in the javelin. As is true of any season, however, it is not simply record-breaking performances which win track meets. Without the consistent second and third place finishers it is very difficult to win meets. That this team was rich in people willing to give all they had regardless of the outcome is evidenced by their outstanding final record.

Earl reaches for distance.

The golf team this year had some of the finest golfers in recent years. Although the inclement spring weather restricted practices, the team kept moving right into the Lakes Region championship. Captain Bill Chalmers showed great leadership as well as great golf. Gary Sewell, perhaps the team's finest player, worked hard all season and placed first in the Lakes Regions. Number three man, Clark Swift, added several victories with his long drives off the tee. With three returning players, and some promising young prospects, the outlook for next year's golf is quite encouraging.

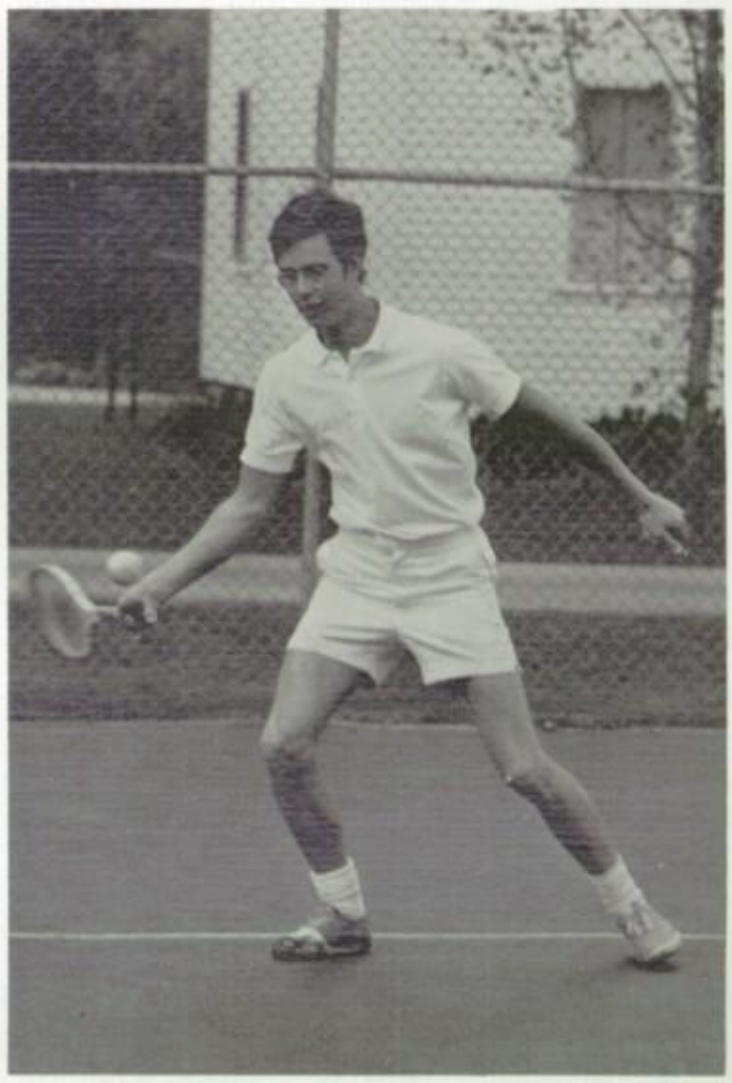
Varsity Tennis

The Varsity Tennis had a successful year due to the combined enthusiasm and great ability of the entire team. Captain Eric Rattan and hard-hitting Tad Fairbank, the team's number one and two men, were aided by three of last year's J.V. players, Bob Wiener, Duke Stuart, and Rhet Armstrong. Rookie Steve Samuels gave that final support the team needed. Hindered by the limited practice sessions and the use of only three courts, the team's season broke into a very slow start with five consecutive losses. Because of the team's determination and the drive of Coach Simpson, the team fought on to win its next five matches.



Love Steve.

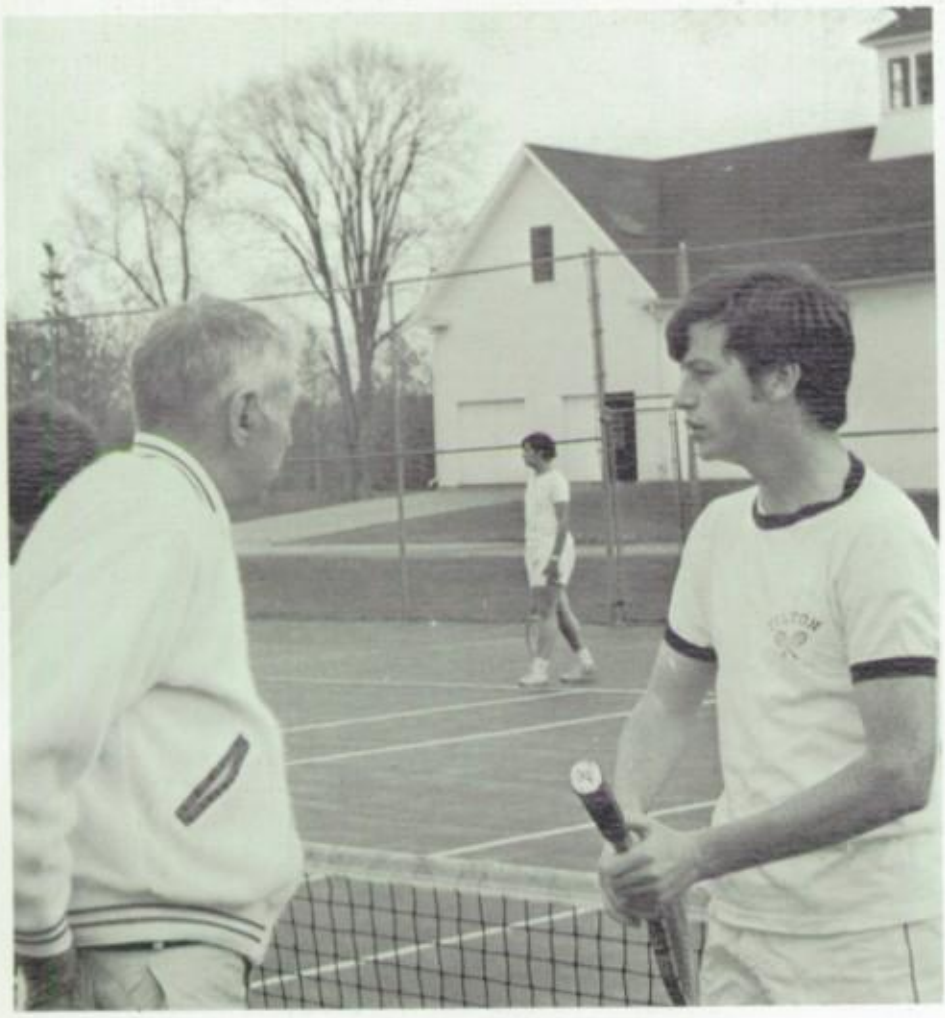
Junior Varsity Tennis



Another "building" year, Jim?

The J.V. Tennis team was plagued with the same rainy weather as the other spring sports. This rain washed out their first four matches and made practices quite irregular. Although there were few experienced players, several young players improved greatly through the season, and the team finished with a 4-6 season. The team was led by two freshman players, Ralph Marto and Steve Rennau, in the first two positions, and the number of talented young players returning points to a stronger season next year.

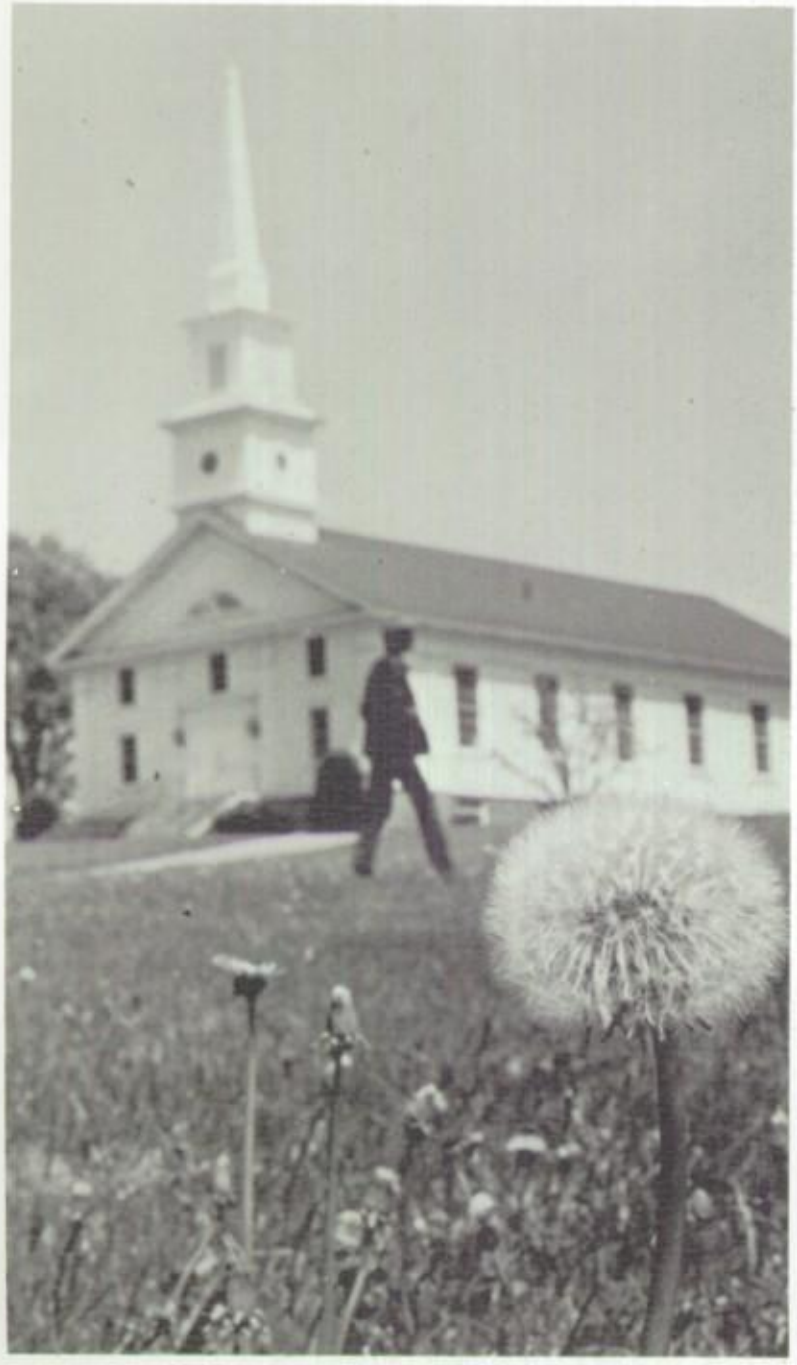
Spring Events



At last grass to walk on.

The beneficial ray squad.

Communication, relaxation, easier living.

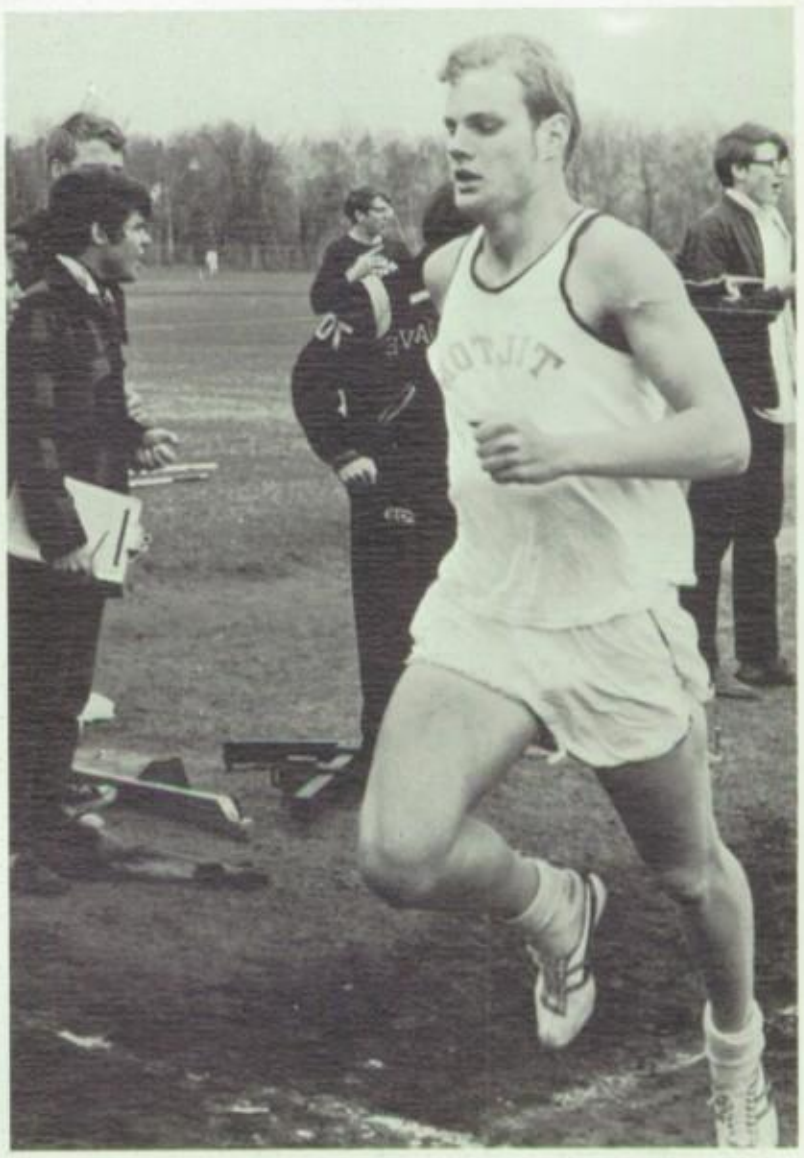
A time to grow.

A time to cultivate.

Hard working George.

Spring Dance Weekend . . . GIRLS.

Mr. Ed



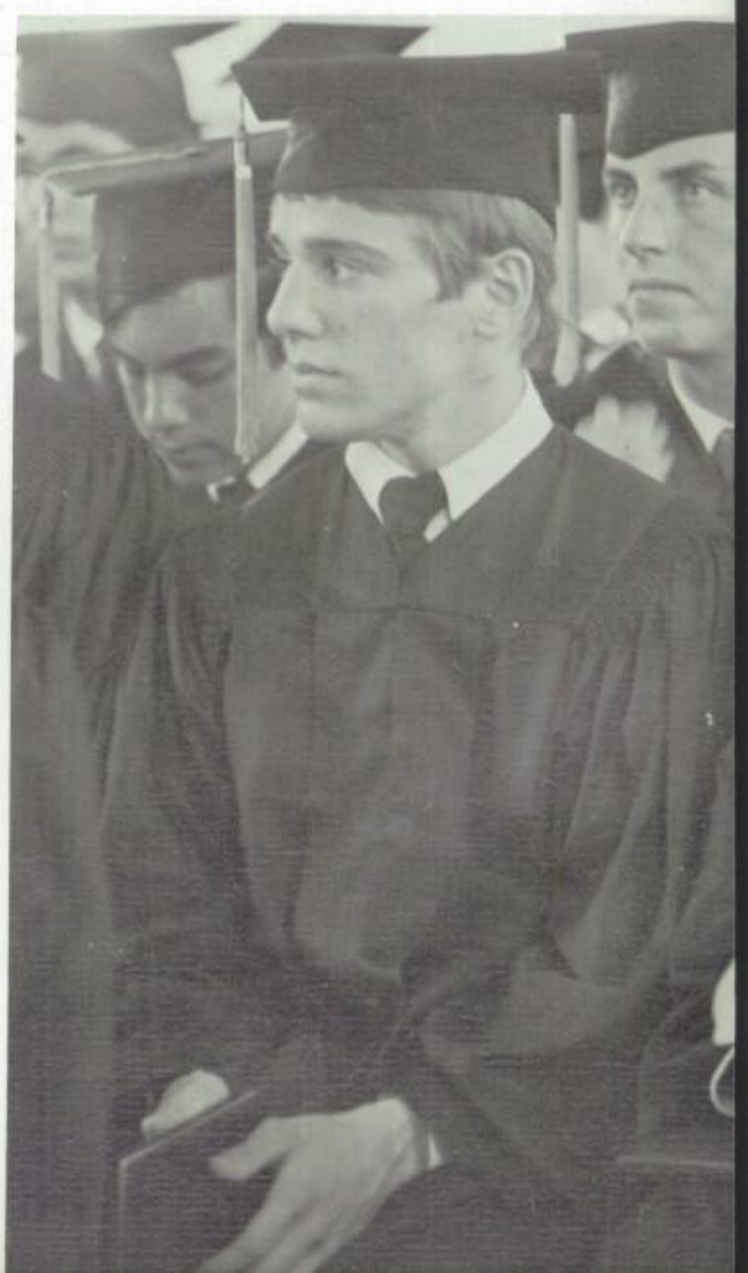
Herbie breaks the tape.

Stebbo's bean ball.

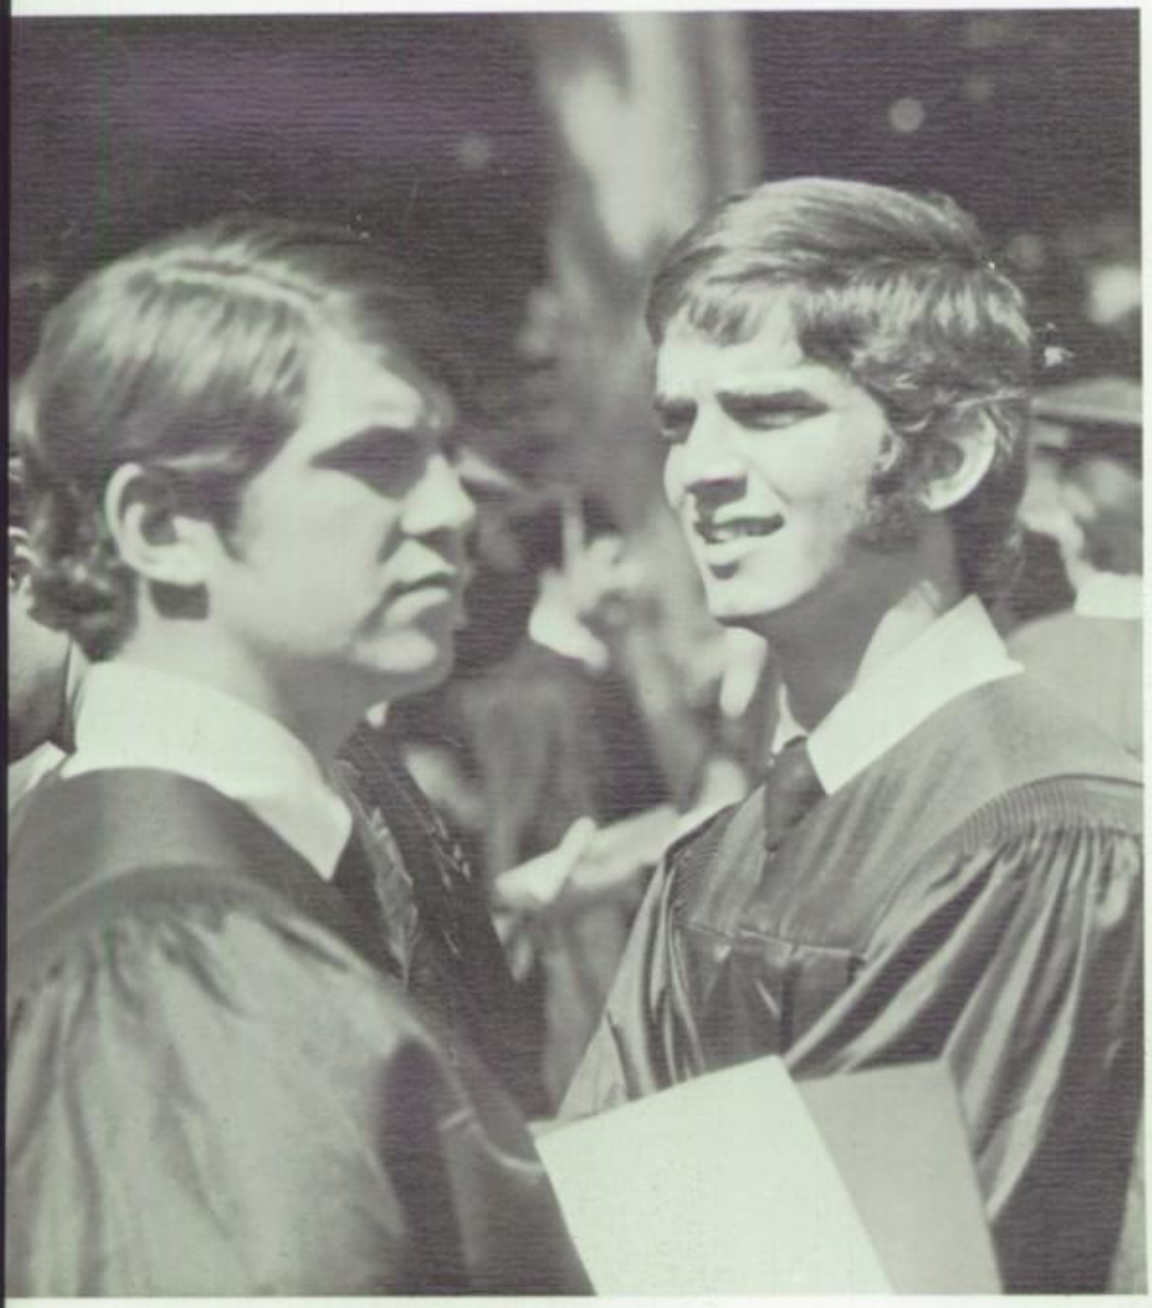
The long-awaited march.

Good, Bill.

No longer just faces.

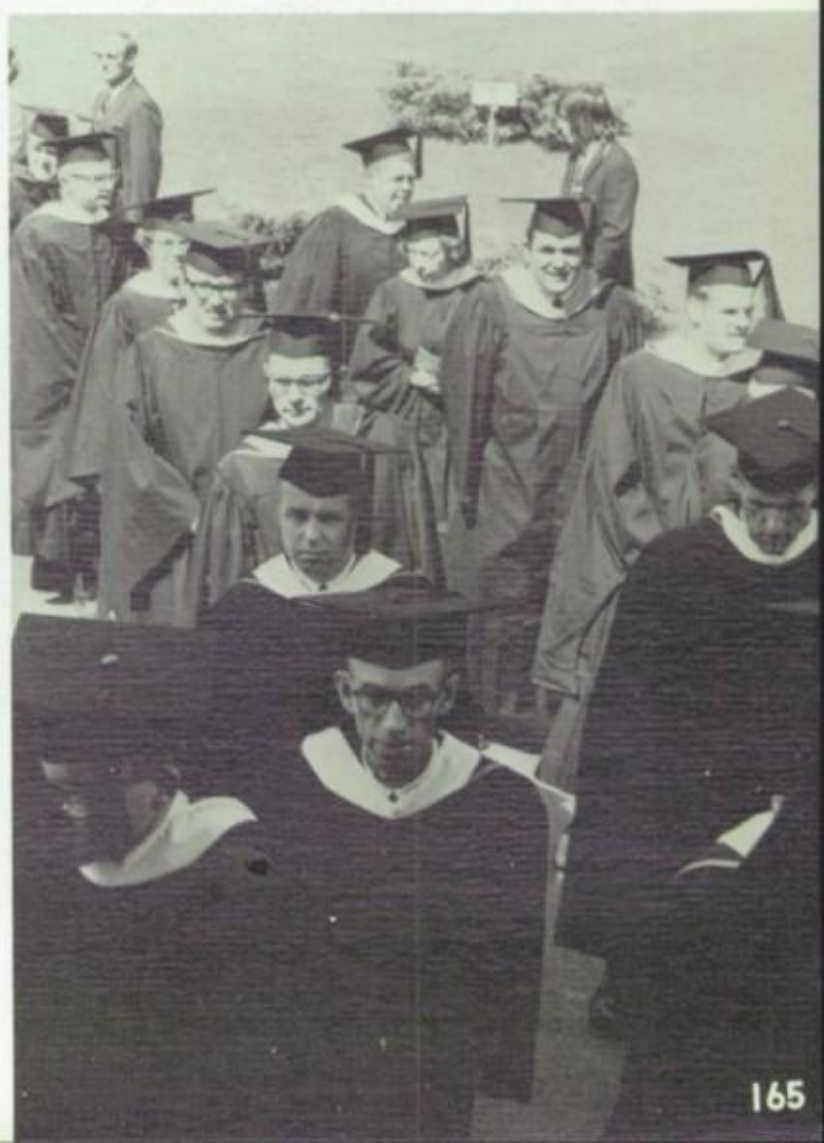


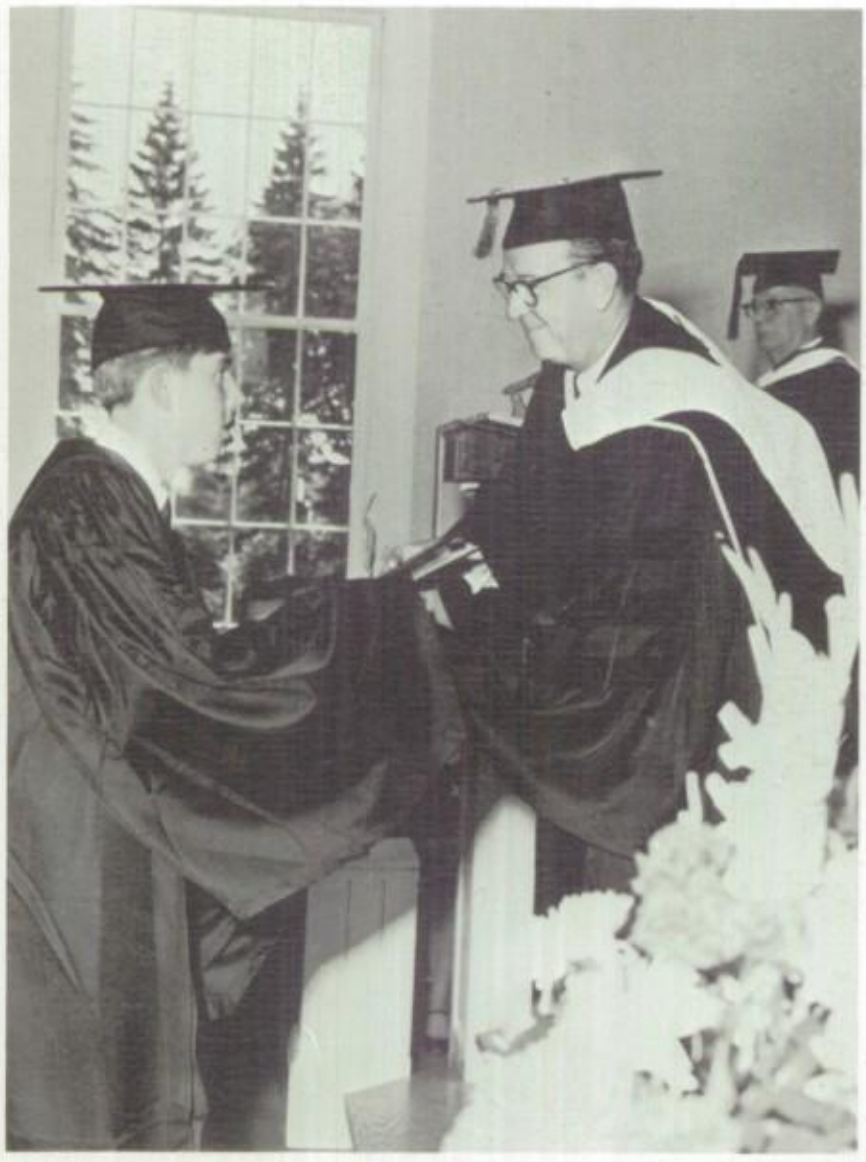
Happy/Sad

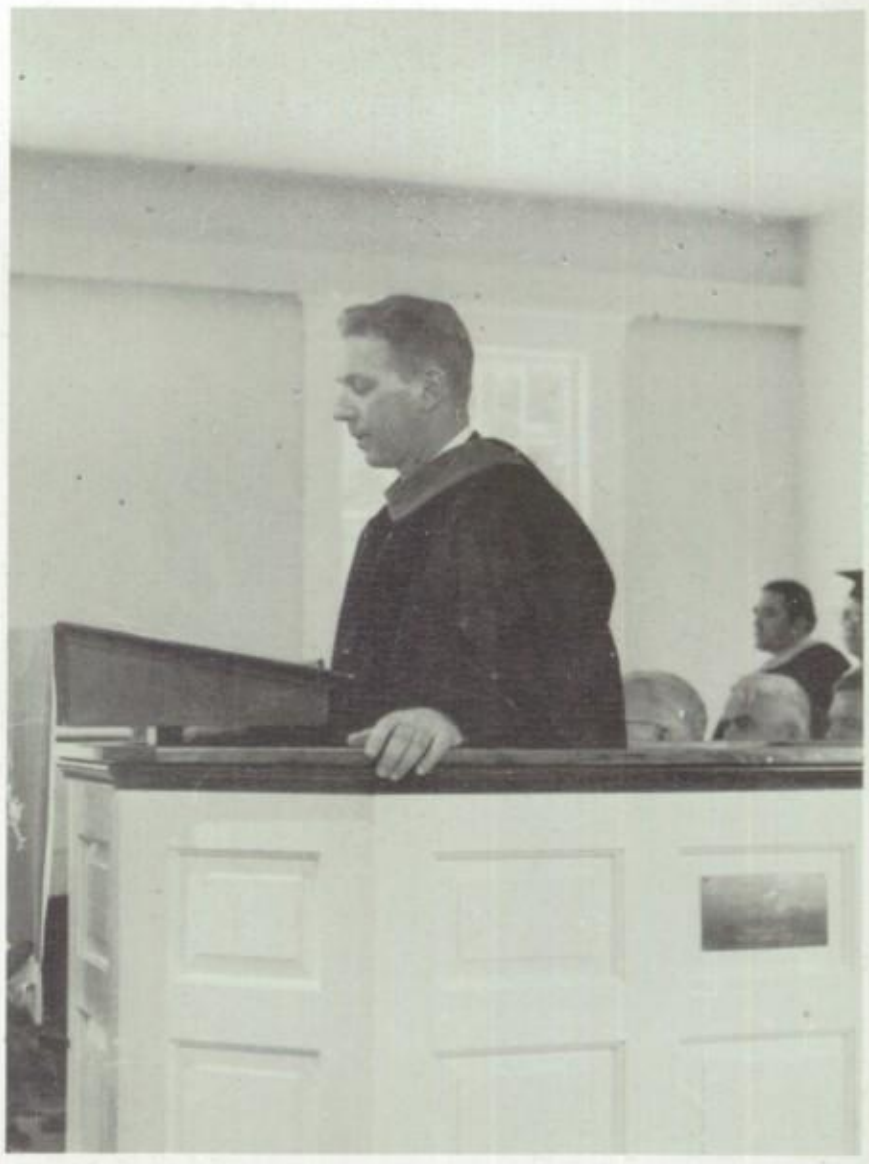


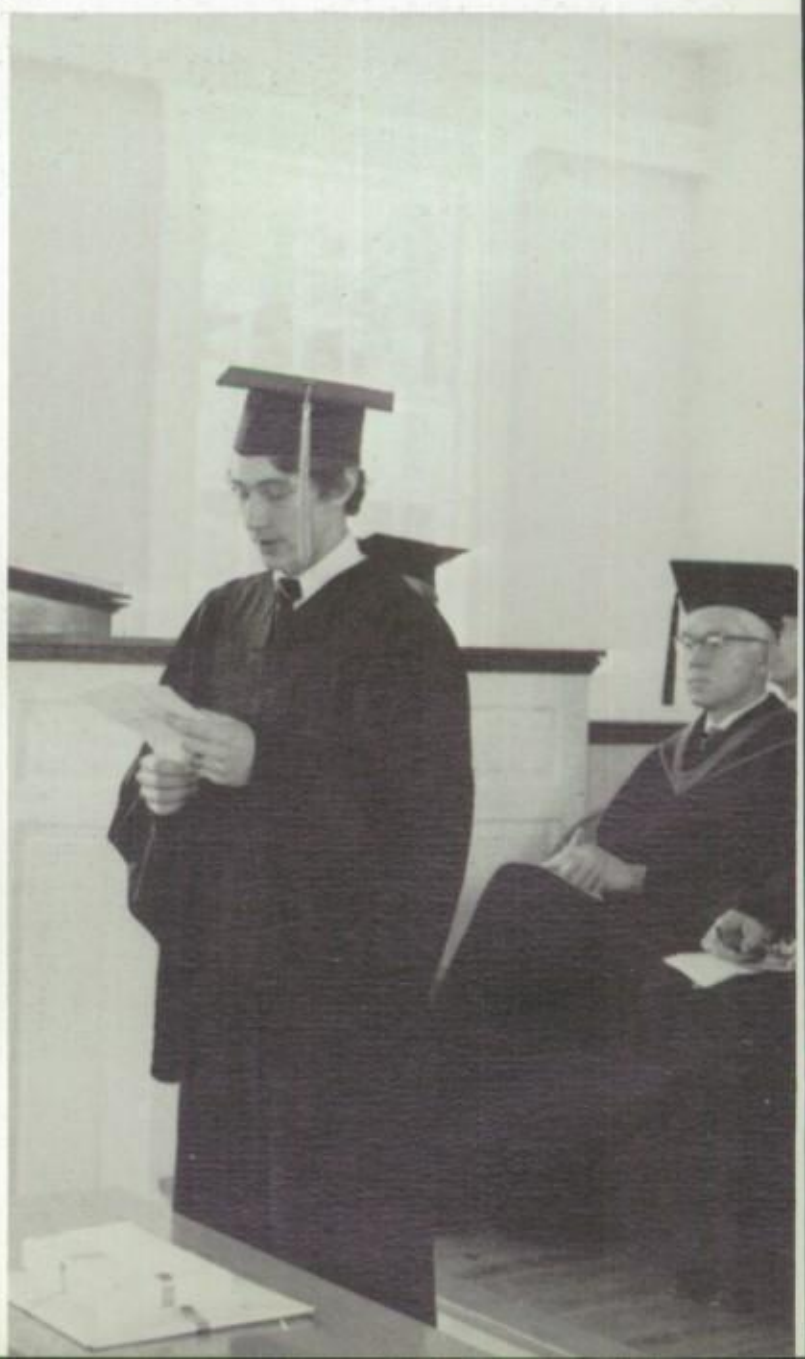
Overs

These will remain.









A final gathering.
